SUPERVISORY PATENT EXAMINER

1. The amendment filed on April 11, 2007 is entered and made of record.
2. The amended claims, claims 8 and 10, are searched and are allowable; the statement for reasons for allowance is provided below.

REASONS FOR ALLOWANCE

Claims 8 and 10 are allowable.

The following is an examiner's statement of reasons for allowance:

With regards to claim 8, the examiner's search does not show any applicable prior art and / or suggestions disclosing when the similarity is in the range to check *later* whether the registered information is updated in combination with the rest of the limitations in claim 8.

With regards to claim 10, the examiner's search does not show any applicable prior art and / or suggestions disclosing obtaining the similarities with all registered information stored in the registered information memory when identification information was not input in advance by identification information input unit and obtaining the similarity corresponding to the identification information stored in the registered information memory when identification information that can be *partially narrowed down* was input by identification information input unit in advance in combination with the rest of the limitations of claim 10.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
